# Why Choose Us ?

## 1. Complete End-to-End EPC Solutions

Vital Force Technologies provides complete turnkey solar EPC services including system design, engineering, procurement, installation, testing, commissioning, and net metering support. Our experienced technical team ensures every project is executed with precision, safety, and maximum performance, delivering reliable and long-lasting solar solutions to residential, commercial, and industrial clients across India.

## 2. Strong Partner Support & Franchise Growth Model

We believe in building successful business partners, not just appointing franchises. Vital Force Technologies provides complete support including technical assistance, proposal preparation, project execution, and dedicated partner coordination.

## 3. High-Quality Components & Trusted Supply Chain

Our strong procurement network ensures consistent quality, competitive pricing, and reliable product availability, ensuring long-term performance and maximum return on investment for customers.

## 4. Fast Execution

Our streamlined project management process ensures timely execution of projects without compromising quality.

## 5. Proven Industry Experience

Vital Force Technologies has successfully executed multiple solar projects across residential, commercial, and institutional sectors.

## 6. Long-Term Support

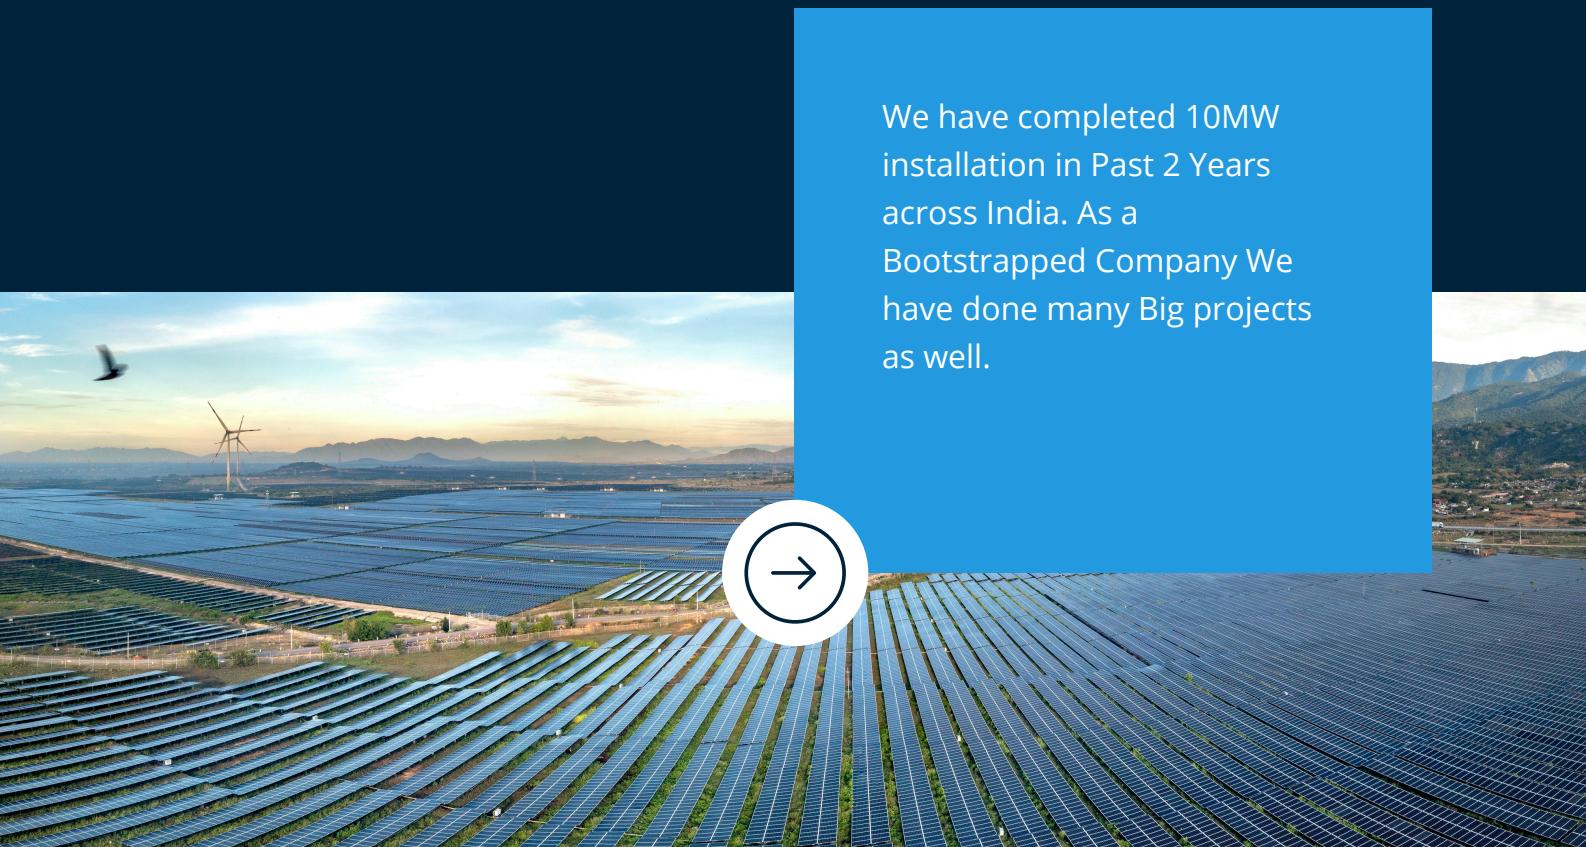

Our team provides continuous support including system guidance, performance optimization, and service assistance, ensuring peace of mind and reliable solar performance for years to come.

## 7. Transparent Business Practices

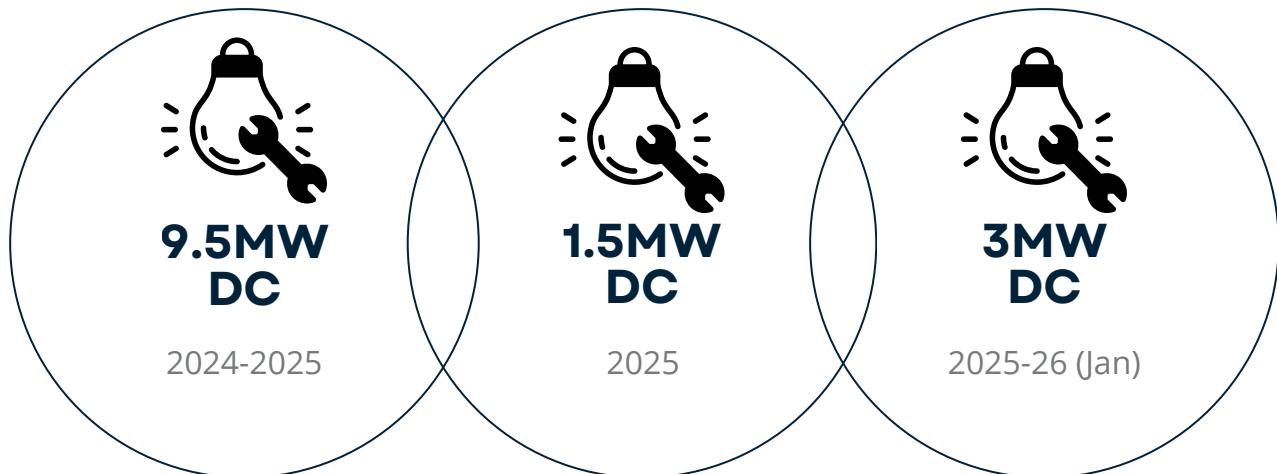

We operate with complete transparency and professionalism in every project and partnership.

# Our History of EPC

We have completed 10MW installation in Past 2 Years across India. As a Bootstrapped Company We have done many Big projects as well.

# Our History of Franchise

## Research

We Research in your area  
What product is in  
Demand

## Marketing

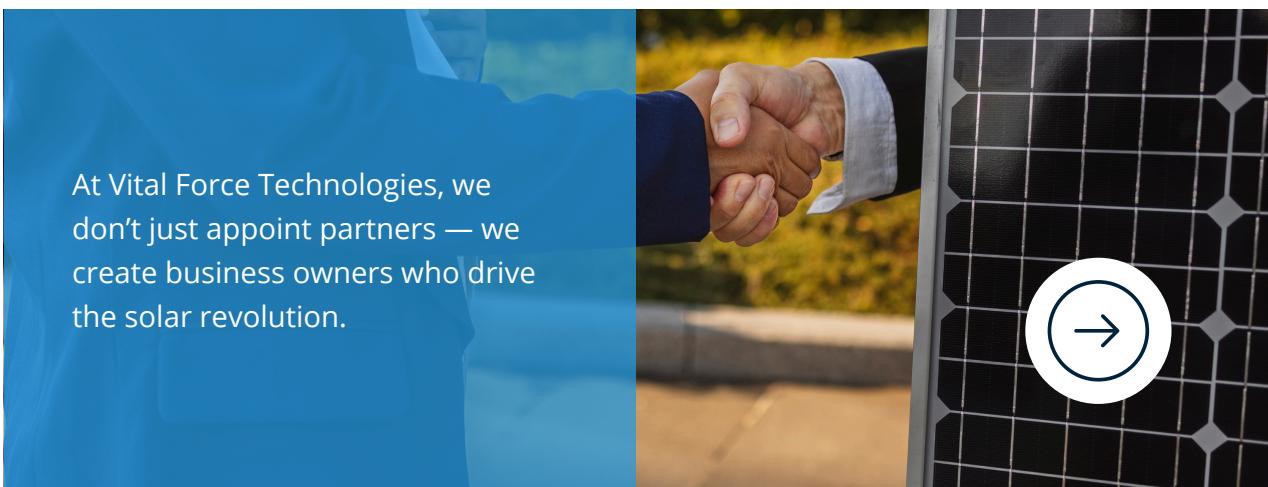

We Start Marketing For  
That Product.

## Earn Profits

This is how we Made  
profits and 1100+  
Franchise Network.

At Vital Force Technologies, we  
don't just appoint partners — we  
create business owners who drive  
the solar revolution.
